

Figure 4
Estimated Annual Percent Change (EAPC) in Age-Adjusted Cancer Rates Among Females, Massachusetts, 1996-2000

¹ Massachusetts rates for this site include codes 64.9 & 65.9 (ICD-O-2) only for comparability. Massachusetts hospital coding conventions may have assigned

some cases to a "not otherwise specified" category. ² Massachusetts rates include invasive bladder cancer only. * EAPC is statistically significant ($p < 0.05$).
